Spring 2024 MATH 108 Survey

- The purpose of this survey is to gather student information for us to explore in our class lessons and activities.
- We estimate that it will take you between 10-20 minutes to complete it.
- None of the questions are required, but your honest and complete responses are appreciated!
- Many of these questions were created based on your input from the first discussion. Thank you for helping us generate question ideas!
- Please, complete the survey before Wednesday, February 21st at 8:00 am. Thank you!

* Indicates required question

crn:: Which section of MATH 108 are you in?

○ [CRN: 34244] Hybrid: Thursdays 1:10 - 3:25 pm
○ [CRN: 34245] Hybrid: Thursdays 6:10 - 8:25 pm
○ [CRN: 34246] Hybrid: Wednesdays 4:40 - 6:55 pm

age:: How old are you?

Your answer

us:: Where you born in the United States? *

○ Yes
○ No

zipcode:: What zipcode do you currently associate with your main residence?

Your answer

da_cert:: Are you planning to complete the CCSF Data Analytics Fundamentals Certificate requirements?

○ Yes
○ No
○ Maybe

ds_deg:: Are you planning to complete the CCSF Data Science AS Degree requirements?

○ Yes
○ No
○ Maybe

career_change:: Are you taking MATH 108 with the intention to change careers?

○ Yes
○ No

moon:: Do you think the US Apollo 11 moon landing was staged/fake?

○ Yes
○ No
○ Maybe

self_care:: Which of the following forms of self-care do you intentionally focus at least once per week?

1. **Physical Self-Care:** This involves activities that promote your physical well-being, such as regular exercise, maintaining a balanced diet, getting enough sleep, and staying hydrated.
2. **Emotional Self-Care:** Emotional self-care focuses on understanding and managing your emotions. It includes practices like journaling, meditation, therapy, and spending time with loved ones.
3. **Mental Self-Care:** Mental self-care is about keeping your mind sharp and healthy. This can be achieved through activities like reading, solving puzzles, learning new skills, and practicing mindfulness.
4. **Social Self-Care:** This involves nurturing your relationships and seeking social support. It includes spending time with friends and family, joining social groups, and maintaining healthy boundaries in relationships.
5. **Spiritual Self-Care:** Spiritual self-care is about connecting with your inner self and your beliefs. It can involve practices like meditation, prayer, attending religious or spiritual gatherings, and spending time in nature for reflection and peace.

☐ Physical
☐ Emotional
☐ Mental
☐ Social
☐ Spiritual
☐ Other
☐ None

study_groups:: Do you want to work in small groups with other MATH 108 students outside of class meetings to complete assignments?

○ Yes
○ No
○ Maybe

ed_level:: What category describes your highest education level prior to this semester?
These categories are based on the US Census education levels.

○ Less than a high school diploma or equivalent
○ High school graduate
○ Some college but not a degree
○ Associate degree
○ Bachelor's degree
○ Advanced degree

math_ed_exp:: How would you generally describe your experience studying Mathematics in school?

	0	1	2	3	4	5	6	7	8	9	10	
Extremely Negative	○	○	○	○	○	○	○	○	○	○	○	Extremely Positive

prior_python:: Prior to the class, have you used the Python programming language in any way?

○ Yes

○ No

prior_programming:: Prior to starting this course, what is your experience with using programming languages?

	0	1	2	3	4	5	6	7	8	9	10	
I don't think that I have ever used a programming language.	○	○	○	○	○	○	○	○	○	○	○	I have used a programming language in a professional setting at a relatively advanced level..

assignment_time:: How many hours per week do you plan to spend on completing assignments and studying for this course?

Your answer

getting_help:: On a scale of 0 to 10, how likely are you to ask for help in this class?

	0	1	2	3	4	5	6	7	8	9	10	
I definitely will not ask for help	○	○	○	○	○	○	○	○	○	○	○	I will definitely ask for help

commute_time:: Approximately how long is your typical commute to class/CCSF?

Hrs Min Sec

__ : __ : __

friends:: How many friends do you communicate with at least weekly?

Your answer

work_hours:: Approximately how many hours are you required to work per week? Please, exclude school work or 24/7 roles such as parenting.

Your answer

work_industry:: What general industry to do you currently work in?

○ Health Care and Social Assistance

○ Retail Trade

○ Professional, Scientific, and Technical Services

○ Accommodation and Food Services

○ Manufacturing

○ Finance and Insurance

○ Educational Services

○ Construction

○ Wholesale Trade

○ Transportation and Warehousing

○ None

○ Other: _____

seq_length:: How long of a sequence can you remember? Go to https://humanbenchmark.com/tests/sequence and complete the test twice. Respond with your best level number. Please, be honest :)

Your answer

num_countries:: How many countries have you visited outside of the United States?

Your answer

movie_genres:: What are your top 3 favorite movie genres?
These categories are from Netflix.

☐ Action & Adventure

☐ Anime

☐ Children & Family

☐ Classic

☐ Comedies

☐ Documentaries

☐ Dramas

☐ Horror

☐ Music

☐ Romantic

☐ Sci-fi & Fantasy

☐ Sports

☐ Thrillers

vet:: Are you a military veteran?

○ Yes

○ No

social:: Do you prefer spending time alone or with a group of people?

○ Alone

○ With a group

decision_intuition:: When making decisions, are you more likely to rely on concrete facts and details or on your gut feelings and possibilities?

○ Concrete facts and details
○ Gut feelings and possibilities

decision_priority:: When making decisions, do you tend to prioritize logic and objectivity, or do you consider the impact on people and emotions?

○ Logic and objectivity
○ Impact on people and emotions

daily_life:: In your daily life, do you prefer having a structured and organized routine, or do you like to keep things flexible and adaptable?

○ Structured and organized
○ Flexible and adaptable

assignment_hours:: What are the 2 major times of day (outside of class meetings) you plan to work on MATH 108 assignments?

☐ 6 am - 10 am
☐ 10 am - 2 pm
☐ 2 pm - 6 pm
☐ 6 pm - 10 pm
☐ 10 pm - 2 am
☐ 2 am - 6 am

assignment_days:: What top 2 days do you plan to work on MATH 108 assignments?

☐ Monday
☐ Tuesday
☐ Wednesday
☐ Thursday
☐ Friday
☐ Saturday
☐ Sunday

frisco_perc:: What approximate percentage of your life have you lived in San Francisco?

	0	1	2	3	4	5	6	7	8	9	10	
0%	○	○	○	○	○	○	○	○	○	○	○	100%

prior_stats:: Prior to starting this class, what is your experience working with college-level Statistics (Topics: hypothesis testing, confidence intervals, etc.)?

	0	1	2	3	4	5	6	7	8	9	10	
I had no experience working with college-level statistics.	○	○	○	○	○	○	○	○	○	○	○	I have worked professionally using college-level statistics.

course_units:: How many course units are you taking this semester?

Your answer

se_status:: Which of the following would you use to describe your socioeconomic status?

According to the American Psychological Association:

Socioeconomic status is the position of an individual or group on the socioeconomic scale, which is determined by a combination of social and economic factors such as income, amount and kind of education, type and prestige of occupation, place of residence, and—in some societies or parts of society—ethnic origin or religious background.

○ High
○ Middle
○ Low

course_support:: What forms of course support to plan to utilize this semester?

☐ In-person Math Lab Tutor
☐ Virtual Math Lab Tutor
☐ Instructor
☐ CS Tutor Squad
☐ Virtual UC Berkeley Ambassadors
☐ Discord
☐ An LLM like ChatGPT
☐ Web Search
☐ Other:

course_challenge:: What do you anticipate is going to be the hardest thing about this course?

Your answer

remote_work:: How do you feel about remote work?

	0	1	2	3	4	5	6	7	8	9	10	
It is the worst choice for me	○	○	○	○	○	○	○	○	○	○	○	It is the best choice for me

math_108_prep:: Before the semester started, how prepared did you feel for this course?

	0	1	2	3	4	5	6	7	8	9	10	
Completely unprepared	○	○	○	○	○	○	○	○	○	○	○	Completely prepared

math_108_value:: How valuable do you think this course will be for you? Interpret value in any meaningful way (personal/career growth, financial, etc.).

0	1	2	3	4	5	6	7	8	9	10
○	○	○	○	○	○	○	○	○	○	○

math_108_value_inter:: Completing this course holds some value for you. How do you personally interpret what value means in this context?

Your answer

first_semester:: Is this your first semester in college?

○ Yes

○ No

cert_degree:: What degree or certificate are you working towards?

To help with consistency in everyone's responses:

1. Go to www.ccsf.edu/degrees-certificates#main-content OR a similar page on your main university's website.
2. Find your degree or certificate from that list and navigate to the page.
3. Copy and paste the exact name of the degree(s) or certificate(s) you are working towards as it is listed on the site. (For example, write Computer Science AS Degree, not Computer Science or CS.)
4. If you are not pursuing a degree, then copy and paste Continuing Education.
5. If you pursuing multiple degree/certificates, separate your responses with a comma. (For example: Data Science AS, Data Analytics Fundamentals Certificate of Achievement)
6. If you are pursuing a graduate degree, make sure that is reflected in your degree name.

Your answer

study_space:: Do you have a reliable place to study for this course?

	0	1	2	3	4	5	6	7	8	9	10	
Never	○	○	○	○	○	○	○	○	○	○	○	Always

language_num:: How many languages are you comfortable communicating in (Include non-verbal and technical languages such as American Sign Language, Java, etc.)

Your answer

wake_up_time:: What time do you typically wake up?

Time

__ : __ AM ▼

sleep_time:: What time do you typically go to sleep?

Time

__ : __ AM ▼

reaction_time_ms:: How fast is your reaction time? Go to https://humanbenchmark.com/tests/reactiontime and complete the test 5 times until it tells you to save your score. Respond with the time (ms) they show you on the save screen. Please, be honest :)

Your answer

finger_length_mm:: How long is your index finger?

Do you best to provide a millimeter (mm) length for your right-hand index finger in a similar way to the image. You may need to convert inches to mm.

Apple and Android smart phones have apps that can measure if you don't have a physical measuring device.

Your answer

ovd_length:: How far is it between your chin and the bottom of your nose?

Do you best to provide a millimeter (mm) length for your the distance between your chin and the bottom of your nose in a similar way to the image. You may need to convert inches to mm.

Apple and Android smart phones have apps that can measure if you don't have a physical measuring device.

Your answer

bday:: What is your birthday (Month/Day)?

MM DD
